

It's March! March is officially our biggest month of the year, because it's when we host our Annual Fraud Conference! This is the second conference to bring us together in-person since we had to cancel in 2020 due to COVID-19. This might just be the best lineup of speakers that we have ever had, so if you're joining us on March 13th and 14th, you are in for a real treat. Beyond March, we'll host two more great webinars this spring. Also, be on the lookout for announcements on our scholarships and openings on the chapter's board. See you soon!

Michael Booher, CPA, CFE
Chapter President
